

I Know Who Holds Tomorrow

[LeAnn Rimes](#)

I don't know about tomorrow
I just live from day to day
And I don't borrow from the sunshine
'Cause the skies might turn to gray And I don't worry about the future
'Cause I know what Jesus said
And today I'm gonna walk right beside Him
'Cause He's the one who knows what is ahead There are things about tomorrow
That I don't seem to understand
But I know who holds tomorrow
And I know who holds my hand And each step is getting brighter
As the golden stairs I climb
And every burden is getting lighter
And all the clouds, their silver line And over there the sun, it's always shining
There no tears will ever dim the eye
And the ending of the rainbow
Where the mountains, they touch the sky There are many things about tomorrow
I don't seem to understand
But I know who holds tomorrow
And I know who holds my hand
Yes, I know who holds my hand
