

Move

Kris Allen

I couldn't say I was paying attention when you were walking by
And if they asked me to pick you out of a line, I wouldn't get it right

Ooh, I was blind til you shook it up, shook it up
Yeah, I was fine til I fell in love, fell in love
I never would've seen you, baby
Til your song came blaring through the speakers, yeah

Ooh, it's not the dress on your body, your lipstick that got me
It's the way you move
Ooh, it's not the heels you were wearing that kept me staring
It's the way you move
Oh, it's the way you move

I'm not saying that you weren't amazing when you walked in the room
I'm just saying that I wasn't looking and now I'm thinking "what a fool"

Ooh, I was blind til you shook it up, shook it up
Yeah, I was fine til I fell in love, fell in love
I never would've seen you, baby
Til your song came blaring through your speakers and

Ooh, it's not the dress on your body, your lipstick that got me
It's the way you move
Ooh, it's not the heels you were wearing that kept me staring
It's the way you move
Yeah, it's the way you move

Don't ever stop, ever stop
Cause I can't get enough, get enough
Don't you ever stop, ever stop
Cause I can't get enough, get enough

Ooh, it's not the dress on your body, your lipstick that got me
It's the way you move
Ooh, it's not the heels you were wearing that kept me staring
It's the way you move
Ooh, it's not the dress on your body, your lipstick that got me
It's the way you move
Ooh, it's not the heels you were wearing that kept me staring

It's the way you move
Oh, it's the way you move
