Come To The Everlife

Stryper

A new life to live, a new heart to give
No sorrow no pain, new bodies to gain
Peace and harmony found, love will be all aroundCome with me tonight
Come to the everlife
We will see new life in the skyYou don't have to lose, you just have to choose
Just call on His name, you won't be the same
Lift your hearts up today
Put your troubles awayCome with me tonight
Come to the everlife
We will see new life in the skyNew life so endless and free
Just lift your hearts up, you'll seePeace and harmony found
Love will be all around
Lift your hearts up today
Put your troubles awayCome with me tonight
Come to the everlife
We will see new life in the sky
