

Walk Out In the Rain

Eric Clapton

Walk out if it doesn't feel right
I can tell you're only lying
If you've got something better tonight
Then don't mess up my mind with your crying
Just walk out in the rain
Walk out with your dreams
Walk out of my life if you don't feel right
And catch the next train
Oh, darling, walk out in the rain
I have come from so far away
Just to put a ring on your finger
If you've said all that you've got to say
Then please don't feel the need to linger
Just walk out in the rain
Walk out with your dreams
Walk out of my life if you don't feel right
And catch the next train
Oh, darling, walk out in the rain, in the rain
It's raining outside of the city
My poor feet have walked till they're sore
If you don't want my love, it's a pity
I guess I can't see you no more
Walk out in the rain
Walk out with your dreams
Walk out of my life if you don't feel right
And catch the next train
Oh, darling, walk out in the rain, in the rain
Just walk out in the rain
Walk out with your dreams
Walk out of my life if you don't feel right
And catch the next train
Oh, darling, walk out in the rain
Just walk out in the rain
Walk out with your dreams
Walk out of my life if you don't feel right
And catch the next train
Oh, darling, walk out in the rain
