

In A Minute

Leslies

I can be just like the others
I can act just like your brother
I can dress just like your mother
I can be but I don't bother In a minute, in a minute
I can be these things
In a minute, don't you get it?
Don't you get it? If I was to be as cruel as I could be
Would you like to still give all of your life to me? In a minute, in a minute
I can be these things
In a minute, don't you get it?
Don't you get it? I can be just like the others
I can act just like your brother
I can dress just like your mother
I can be but I don't bother In a minute, in a minute
I can be these things
In a minute, don't you get it?
Don't you get it? In a minute
In a minute
In a minute
In a minute
