

Last Stand

[Kwabs](#)

The war's over but a soldier armed
Still battling the ghosts long gone
Oh, oh oh Still struggling to see the signs
Too heavy for a heart like mine
Save me, save me Keep my head just to keep me clear
Keep the devil watching over me
Save me, save me Last stand before I walk away
Spell-bound, I stutter, I pray
Release me, say you need me (Chorus x2)
Still burning from the heat of your touch
Know I shouldn't but it's never enough I don't belong
But I'm scared to leave (Chorus x2)
Still burning from the heat of your touch
Know I shouldn't but it's never enough
