Christmas Outside The Box

Jeff Dunham

Well every year for the holidays, its always been the same old thing.
Christmas comes and Christmas goes, while were all packed away.
We put our heads together
and decided to pick the locks.
Gonna make or break and celebrate,
Christmas outside the box.
Christmas outside the box.
Christmas outside the box.Jeffs away so were gonna play, gonna throw a little party that rocks
Tonight theres gonna be a jailbreak, were pulling out all the stops.
Christmas outside
Christmas outside
Christmas outside, outside the box.Walters mixin' in the DJ booth.
Bubba Js tappin' the keg.
Achmeds doin' a hip-hop dance 'cause he just blew off his leg.
Joses blendin' margaritas, it feels just like its summer.
Peanut found the car keys and he just left in the Hummer.
Christmas outside the box.
Christmas outside the box.Jeffs away so were gonna play, gonna throw a little party that rocks.
Tonight theres gonna be a jailbreak, were pulling out all the stops.
Christmas outside
Christmas outside
Christmas outside, outside, the box.Christmas outside the box.
Christmas outside the box.Jeffs away so were gonna play, gonna throw a little party that rocks.
Tonight theres gonna be trouble, were crazy like a fox.
Christmas outside
Christmas outside
Christmas outside, outside, the box.Christmas outside
Christmas outside
Christmas outside, outside, the box.
