

# Temptation (Brothers in Rhythm Remix)

## Heaven 17

I've never been closer  
I've tried to understand  
That certain feeling  
Carved by another's hand But it's too late to hesitate  
We can't keep on livin' like this  
Leave no track  
Don't look back All I desire  
Temptation  
Keep climbin' higher and higher  
Temptation Adorable creatures  
Temptation  
With unacceptable features  
Temptation Trouble is coming  
Temptation  
It's just the high cost of loving  
Temptation You can take it or leave it  
Temptation  
But you'd better believe it You've got to make me an offer  
That cannot be ignored  
So let's head for home now  
Everything I have is yours Step by step and day by day  
Every second counts, I can't break away  
Leave no trace  
Hide your face All I desire  
Temptation  
Keep climbin' higher and higher  
Temptation You can take it or leave it  
Temptation  
But you'd better believe it Step by step and day by day  
Every second counts, I can't break away  
Keep us from temptation  
Keep us from temptation  
Keep us from temptation  
Lead us not into temptation Trying to find it  
Temptation  
You've got to get up behind it  
Temptation Put your dime in the hot slot  
Temptation  
But it's a million to one shot

Temptation You think that you're right no

Temptation

You're going to fake it tonight now

Temptation Give me a breakdown

Temptation

Because it's time for a shakedown

Temptation Temptation

Temptation

Temptation

Temptation Temptation

Temptation

Temptation

It's just a temptation Temptation

Temptation
