

# Down Along the Cove

[Bob Dylan](#)

Down along the cove  
I spied my true love comin' my way  
Down along the cove  
I spied my true love comin' my way I say, "Lord, have mercy, mama  
It sure is good to see you comin' today" Down along the cove  
I spied my little bundle of joy  
Down along the cove  
I spied my little bundle of joy She said, "Lord, have mercy, honey  
I'm so glad you're my boy" Down along the cove  
We walked together hand in hand  
Down along the cove  
We walked together hand in hand Everybody watchin' us go by  
Knows we're in love, yes, and they understand
