Clap Eyes

HVOB

An eye for an eye,
A tooth for a tooth,
Houses as far as the eye can see,
you kept eyes on me, i kept eyes on you,
you kept eyes on me , i kept eyes on you,
in the wake of the night, out of sight and out of mind,
so i know you just by sight,you kept eyes on me, i kept eyes on you,
you kept eyes on me, i kept eyes on you,
you kept eyes on me, i kept eyes on you,
you kept eyes on me, i kept eyes on you,you leave into view with a petty in eye,
from the corner of my eyes,
you leave into view with a petty in eye,
from the corner of my eyes,
an eye for an eye,
a tooth for a tooth,houses as far as the eye can see,
you kept eyes on me, i kept eyes on you,
you kept eyes on me, i kept eyes on you.
