

# Clap Eyes

## HVOB

An eye for an eye,  
A tooth for a tooth,  
Houses as far as the eye can see,  
you kept eyes on me, i kept eyes on you,  
you kept eyes on me , i kept eyes on you,  
in the wake of the night, out of sight and out of mind,  
so i know you just by sight,you kept eyes on me, i kept eyes on you,  
you kept eyes on me, i kept eyes on you,  
you kept eyes on me, i kept eyes on you,  
you kept eyes on me, i kept eyes on you,you leave into view with a petty in eye,  
from the corner of my eyes,  
you leave into view with a petty in eye,  
from the corner of my eyes,  
an eye for an eye,  
a tooth for a tooth,houses as far as the eye can see,  
you kept eyes on me, i kept eyes on you,  
you kept eyes on me, i kept eyes on you.
