

All We Ever Wanted (feat. Lennon & Maisy)

Nashville Cast

We were young and restless
Pockets full of stars
Chasing down the moonlight
'Til the night was ours
All we ever wanted,
All we ever needed was love Think you have the answers
When you were just a kid?
We took a lot of chances
All the things we did
All we ever wanted,
All we ever needed was love
Sometimes those memories
Can be hard to take
We all remember the times
Before you ever felt your heart break
You never were the same I won't make excuses
I have no regrets
I know what the truth is
I will not forget
All we ever wanted,
All we ever needed was love Sometimes those memories
Can be hard to take
We all remember the times
Before you ever felt your heart break
You never were the same
All we ever wanted,
All we ever needed
All we ever wanted,
All we ever needed
Was love
