Edward Sharpe & The Magnetic Zeros

Hey, hey!
Everybody stealing my Ha!
Everybody taking my Hey!
Everybody stealing my Ho!
Ho, ho!
Everybody taking my Hey!
Everybody stealing my Ya!
Everybody taking my Ho! Shut the front door and leave something
Never was mine
What it means not to free something
'Tween you and I Hey, hey
Everybody stealing my Heart!
Everybody taking my Hey!
Everybody stealing my Ho!
Ho, ho!
Everybody taking my Hey!
Everybody sitting in my Yeah!
Everybody stealing my Ho! Shut the front door it means nothing
'Tween you and I
What I means not to free something
Never was mine Hey, hey
Everybody stealing my Yeah!
Everybody taking my Heart!
Everybody stealing my Ho!
Ho, ho!
Everybody taking my Ya!
Everybody taking my Hey!
Everybody stealing my Ho! What wasn't yours you had to give away
Or the mad'll come round to enslave em all
What wasn't yours you had to give away
But you know it's in your mind, it's in your mind
