

# Slowing Down (Long Time Coming)

[Anthony Green](#)

Things start slowing down for you and I  
It's been a long time coming  
If you keep holding onto what we've lost  
You're gonna drag down the road behind us

I never wanted it to feel like this, to be this way  
I'm just afraid that if you stay we'll never change  
I never wanted it to be like this, to feel this way  
I'm just afraid that if you stay, you'll hate me

Things start slowing down, for you and I  
It's been a long, long, long, long time  
If you keep holding onto what we've lost  
You're gonna drag down the road behind us

I never wanted it to feel like this, to be this way  
I'm just afraid that if you stay we'll never ever change  
I never wanted it to be like this, to feel this way  
I'm just afraid that if you stay, you'll hate me
