# In My Life

## Steel Pulse

Reasons why it's you and I, heyRestless dreams and sleepless nights
You were there to hold me tight
'Cause I'm so glad you're in my lifeNever felt this way before
This addiction needs no cure
Your kisses leave me wanting more
'Cause I'm so glad you are in my lifeIn my life, in my life, in my life
Life, life, life, wow
I need you, you need meHmm, intense and pure
Makes me scream and shout for more
'Cause you're the one that I adore
'Cause I'm so glad you're in my lifeEcstasy, I must confess
Wrapped up in your tenderness
There's no doubt you're Heaven sent
'Cause I'm so glad you're in my lifeYou don't you know, I've got to have you
In my heart todayIn my life, in my life
Life, life, life, life
Hear the words I say, make me feel this way
Yes, I need your uplifting for my soul
You, you, youI'm so glad you're in my life
No more long and lonely nights
Oh, I'm so glad you're here to stay
You can put your fears away'Cause I'm losing all control
Lifting up my soul
Make my spirit move
Got me in this grooveIn a my, in a my, in my, in a my
An easy as one, two, three
Simple A, B, C
Call it doe, ray, me
Make my spirit freeIn a my and a my life
I'm so glad you're in my life
No more long and lonely nights
I'm so glad you're here to stay
You can put your fears away
Yeah, I'm so glad you're here to stay
