Save Me From Myself

Christina Aguilera

It's not so easy loving me
It gets so complicated, all the things you gotta be
Everything's changing but you're the truth
I'm amazed by all your patience, everything I put you throughAnd when I'm about to fall
Somehow you're always waiting, your open arms to catch me
You're gonna save me from myself, from myself, yes
You're gonna save me from myself, ooo, ohh, yeahMy love is tainted by your touch
Well, some guys have shown me Aces but you've got that Royal Flush
I know it's crazy everyday
Well, tomorrow may be shaky but you never turn awayDon't ask me why I'm crying
'Cause when I start to crumble, you know how to keep me smiling
You always save me from myself, from myself, myself
You're gonna save me from myselfI know it's hard, it's hard
But you've broken all my walls
You've been my strength, so strong
And don't ask me why I love youIt's obvious your tenderness
Is what I need to make me
A better woman to myself, to myself, myself
You're gonna save me from my, myself
