

Hero

Regina Spektor

He never ever saw it coming at all
He never ever saw it coming at all
He never ever saw it coming at all
It's alright, it's alright, it's alright, it's alright
It's alright, it's alright, it's alrightHey, open wide, here comes original sin
Hey, open wide, here comes original sin
Hey, open wide, here comes original sin
It's alright, it's alright, it's alright, it's alright
It's alright, it's alright, it's alright
It's alright, it's alright, it's alrightNo one's got it all
No one's got it all
No one's got it allPower to the people, we don't want it, we want pleasure
And the TV's try to rape us and I guess that they're succeeding
And we're going to these meetings but we're not doing any meeting
And we're trying to be faithful but we're cheating, cheating, cheatingHey, open wide, here comes original sin
Hey, open wide, here comes original sin
Hey, open wide, here comes original sin
It's alright, it's alright, it's alright, it's alright
It's alright, it's alright, it's alright
It's alright, it's alright, it's alrightNo one's got it all
No one's got it all
No one's got it allPower to the people, we don't want it, we want pleasure
And the TV's try to rape us and I guess that they're succeeding
And we're going to these meetings but we're not doing any meeting
And we're trying to be faithful but we're cheating, cheating, cheatingI'm the hero of the story, don't need to be
saved
I'm the hero of the story, don't need to be saved
I'm the hero of the story, don't need to be saved
I'm the hero of the story, don't need to be savedIt's alright, it's alright, it's alright, it's alright
It's alright, it's alright, it's alright
It's alright, it's alright, it's alright
It's alright, it's alright, it's alrightNo one's got it all
No one's got it all
No one's got it all
