No Gag Reflex

Scuzz Twittly

Well she ain't much to look at her conversations a bore she wasn't blessed with beauty she's as Flat as a trailer door but she has a talent that's so hard to find she's a special kinda lady a real one of a kind, she's got no(no) no gag reflex well she can take it up to the sack and I gotta get my baby back she's got no(no) no gag reflex now she's swallowing another shut I just wanna curl up and die well I met her down at codys playin 3 oh one we drank a couple buckets and started havin fun so we crawled into my camper and things got Goin fine then she unzipped my wranglers and blew my fucking mind she's got no(no) no gag reflex,she can take it up to the balls but she won't return my calls she's got no(no) no gag reflex I got to bring her back to me I was blind but now I see I surely was In heaven with her throat full of my junk it wasn't gonna take Long for me to fill her gut with spunk and that's when something happened,impossible but true she unhinged her jaw like a python snake and swallowed up my scrodum too she's got no (no) no gag reflex I got to make her care no other woman can compare she's got no(no) no gag reflex the woman is a saint she even tunged my hairy taint she's got no(no) no gag reflex I gotta make her mine cuz wedding bells weddin bells are gonna shine
