Jesus Is

Point of Grace

Speak a little softer so I can hear you
Above the noise, the noise, the noise in this world, yeah yeah
You don't have to shout it for hearts to listen
Just be a still, small voice, and let the truth be heard(Chorus)
That Jesus is
The way, the truth He is the light
For me, for you, for the world tonight
Our hope, the meaning of this life
Jesus is, Jesus is
Jesus is, Jesus isEverybody's looking, but how will they find it
The road to happiness unless they're told
That love is the answer to the ultimate question
But how will they understand unless they know(Chorus)
The way, the truth, he is the light
For me, for you, for the world tonight
Our hope, the meaning of this life
Jesus is, Jesus is
Jesus is, Jesus is
Jesus is
He is the way, the truth, the light
