

I Know Why (iTunes Originals Version)

[Sheryl Crow](#)

They say love keeps on growing
It's the one thing that I've felt I've always known
'Cause it wouldn't matter where you're going
'Cause where you are is where I wanna go I know why the heart gets lonely
Every time you give your love away
And if you think that you are only
A shadow in the wind
Rolling round but when you go and let somebody in
They might fade away Tell me why the road keeps turning
When everything you want is straight ahead
And every thing I thought worth learning
Is forgotten when I see your face instead I know why the heart gets lonely
Every time you give your love away
And if you think that you are only
A shadow in the wind
Rolling round but when you go and let somebody in
They might fade away All you say is so overrated
Holding on to yesterday
Along the way, it can get too complicated to say I know why the heart gets lonely
Every time you give your love away
And if you think that you are only
A shadow in the wind
You better think again I know why the heart gets lonely
Every time you give your love away
And if you think that you are only
Flowers in the wind
Blowin' round the wind
You let somebody in they might fade away Fade away...
