

# Pretty Brown Eyes

[Carl Belew](#)

You say it's over now but it's easy to see  
You still belong to him you're not happy with me  
You can hide all your feelings until he passes by  
That's when when I see the blues in your pretty brown eyes  
Your pretty brown eyes keep telling me lies  
But they can't hide the hurt with the smile of disguise  
You can hide all your feelings until he passes by  
That's when when I see the blues in your pretty brown eyes  
[ piano ]  
Your pretty brown eyes...
