

One Monkey

Gillian Welch

One monkey don't stop the show
One monkey don't stop the show
One monkey don't stop the show
Whoa, so get on board Oh, one monkey don't stop the show
One monkey don't stop the show
One monkey don't stop the show
Whoa, so get on board Here comes the freight train
Here comes the freight train
Here comes the freight train
So get on board Oh, one monkey don't stop the show
One monkey don't stop the show
One monkey don't stop the show
Whoa, so get on board There is a purpose, a running keep
There is a captain, with a steady wheel
Wheel An' one monkey don't stop the show
One monkey don't stop the show
One monkey don't stop the show
Whoa, so get on board Oh, one monkey don't stop the show
One monkey don't stop the show
One monkey don't stop the show
Whoa, so get on board Here comes the slow train
Here comes the slow train
Here comes the slow train
So get on board Oh, one monkey don't stop the show
One monkey don't stop the show
One monkey don't stop the show
Whoa, so get on board She's at the station, running slow
Ready for leavin', she's gonna go
Go One monkey don't stop the show
One monkey don't stop the show
One monkey don't stop the show
Whoa Here comes the freight train
Here comes the freight train
Here comes the freight train
So get on board Oh, one monkey don't stop the show
One monkey don't stop the show
One monkey don't stop the show
Whoa One monkey don't stop the show
One monkey don't stop the show

One monkey don't stop the show
Whoa, so get on board Oh, one monkey don't stop the show
One monkey don't stop the show
One monkey don't stop the show
Whoa, so get on board Here comes the freight train
Here comes the freight train
So get on board
