

# Valley of Tears

**Fats Domino**

I want you to take me where I belong  
Where hearts have been broken with a kiss and a song  
Spend the rest of my days without any cares  
Every one understands me in the valley of tears (the valley of tears) Soft words has been spoken  
So sweet and low  
But my mind is made up, love has got to go  
Spend the rest of my days without any cares  
Every one understands me in the valley of tears (the valley of tears)
