

Make You Love Me

Timo Ody

Try to stay fuckin' high
Keep my eyes on the prize
Try to do everything
Even though I know that I can't
Start to let this fall
Start to let this go
Try to keep you to myself
I'm a red coloured show
Oh
I just wanna make you love me
Oh
I just wanna make you love me
(Love me)
(Love me)
(Make you love me)
I just wanna make you love me
I just wanna make you love me
Try to be there for you
Show that I care for you
Started to lose myself
I was acting like someone else
Start to let this fall
Start to let this go
Try to keep you to myself
I'm a red coloured show
Oh
I just wanna make you love me
Oh
I just wanna make you love me
(Love me)
(Love me)
(Make you love me)
I just wanna make you love me
I just wanna make you love me
I just wanna make you love me
I just wanna make you love me
(Love me)
