

# No Ring Blues

Cassie Taylor

i cook your meals  
i wash your clothes  
i kiss your neck  
i rub your toes  
i clean your house  
i scrub your floor  
give you want you want baby  
but you still want more  
and i do everything  
to keep you satisfied  
so put a ring on my finger baby  
make me your bride

well i don't need diamonds  
just a band will do  
but you're still standing there  
nothing i can do  
so tell me please  
just tell me what i can say  
are you gonna make this forever  
or is this just another day  
and i do everything  
to keep you satisfied  
so put a ring on my finger baby  
make me your bride

well i never should have  
shacked up with you  
cause now you got the cow  
gonna drink the milk too  
so tell me please  
just tell me what i can do  
cause you're the one i love  
and baby i chose you  
and i did everything  
to keep my baby satisfied  
he put a ring on my finger baby  
made me his bride
