

Waiting on the Comin' of My Lord

[Glen Campbell](#)

I'm waitin' on the comin' of my Lord
I'm waitin' on the comin' of my Lord
Jesus take my hand and
guide me through the promise land
I'm waitin' on the comin' of my Lord This is just a temporary stop for me
Cause I'm on that train to Jordan Town
Waitin' on the comin' of my Lord
Everyone I love will be the heart of me
And I'll take that home for eternity
Waitin' on the comin' of my Lord I'm waitin' on the comin' of my Lord
I'm waitin' on the comin' of my Lord
Jesus wash my face
and cleanse the darkness from my eyes
I'm waitin' on the comin' of my Lord (bridge) I hear His voice and it's the greatest sound
I feel the light and I break down
I can't describe the instant healin' of my soul
and my peace of mind
Waitin' on the comin' of the Lord I'm waitin' on the comin' of my Lord
I'm waitin' on the comin' of my Lord
Jesus take my hand and
guide me through the promise land
I'm waitin' on the comin' of my Lord I'm waitin' on the comin' of my Lord
I'm waitin' on the coming of my Lord!
