

Faith Of The Heart

Russell Watson

It's been a long road
Getting from there to here
It's been a long time
But my time is finally near And I can see my dreams come alive at night
I will touch the sky
And they're not gonna hold me down no more
No there not gonna hold me down Cause I've got faith of the heart
I'm going where my heart will take me
I've got faith to believe
I can do anything
I've got strength of the soul
And no one's gonna bend or break me
I can reach any star
I've got faith
I've got faith
Faith of the heart It's been a long night
Trying to find my way
Been through the darkness
Now I finally have my day
I will see my dream come alive at last
I will touch the sky
And they're not gonna hold me down no more
No there not gonna change my mind Cause I've got faith of the heart
I'm going where my heart will take me
I've got faith to believe
I can do anything
I've got strength of the soul
And no one's gonna bend or break me
I can reach any star
I've got faith
Faith of the heart I've known a wind so cold and seen the darkest days
But now the winds I feel are only winds of change
I've been through the fire and I've been through the rain
But I'll be fine Cause I've got faith of the heart
I'm going where my heart will take me
I've got faith to believe
I can do anything
I've got strength of the soul
And no one's gonna bend or break me

I can reach any star
I've got faith
Faith of the heartFaith of the heart
I'm going where my heart will take me
I've got faith to believe
That no one's gonna bend or break me
I can reach any star
I've got faith
I've got faith
Faith of the heartIts been a long road
