

# Downs Are Feminine Balloons

## Mercury Rev

You gotta give me a scene from your battle sky zone, I don't know  
Go blur the things that matter to me most, friend or foe  
Your fume, baby, soon, baby, kaboom, kaboom, kaboom  
Tonight I'll dig tunnels to your nightmare room And if there's one thing I can't stand, it's up  
And if it's one thing I can't stand, it's up  
Should have known better than to do that stuff  
That stuff can mess you up, that stuff can mess you up  
And if there's one thing I can't stand, it's up  
And if there's one thing I can't stand, it's up Kick in the crawl from your watering hole, wailing woo  
My mind pines for fluid filled eyes, what to do?  
Your fume, baby, soon, baby, kaboom, kaboom, kaboom  
Tonight I'll dig tunnels to your nightmare room And if there's one thing I can't stand, it's up  
And if there's one thing I can't stand, it's up  
And if there's one thing I can't stand, it's up  
And if there's one thing I can't stand, it's up  
Should have known better than to do that stuff  
That stuff, it can mess you up, it can mess you up
