Cry For More

Die Happy

I wanna be cool - to keep your friends amused
I wanna be beautiful - a celebrated muse
I wanna be high - entertain you when you're blue
I wanna be wise - just because of youMaybe then you would see me
Maybe then you would care
but there's more to love than meets the eyeWOULD YOU CRY FOR MORE
IF YOUR LOVE WAS TRULY BLIND
COULD YOU CRY FOR MORE
IF IT'S ONLY ME YOU FINDIt's kicking me downI wanna be strong - to match your every move
I wanna be crazy - a myriad of moods
I wanna be bright - to stand out in the crowd
I wanna be brave - to make you proudMaybe then you would need me
Maybe then you would dare
but there's more to love than meets the eye
