

# There Were Ninety-Nine

Choir of the New Apostolic Church, Cape Town

1] There were ninety-nine that safely lay in the shelter of thy lord, one has strayed far from thy fold away, yes far from the gate of gold. Away [Away] on mountain bleak and bare, away from the shepherd tender care, away from the shepherd tender care. [Refrain] loving Jesus, faithful shepherd for his lambkin goes in quest, leads it in to fairest pasture, bring it home to blessed rest [to rest]
