Nobody Does It Better

Carly Simon

Nobody does it better
Makes me feel sad for the rest
Nobody does it half as good as you
Baby, you're the bestI wasn't lookin', but somehow you found me
I tried to hide from your love light
But like Heaven above me, the spy who loved me
Is keeping all my secrets safe tonightAnd nobody does it better
Though sometimes I wish someone could
Nobody does it quite the way you do
Why'd you have to be so good?The way that you hold me whenever you hold me
There's some kind of magic inside you
That keeps me from runnin', but just keep it comin'
How'd you learn to do the things you do?And nobody does it better
Makes me feel sad for the rest
Nobody does it half as good as you
Baby, baby, darling, you're the bestBaby, you're the best
Baby, you're the best
Baby, you're the best
