

Strength of Strings

[This Mortal Coil](#)

In my life the piano sings
Brings me words that are not the strength of strings
Fiery rain and Ruby's cooling sun
Now I see that my world has only begun
Notes that roll on winds with swirling wings
Brings me words that are not the strength of strings
In my life the piano sings
Brings me words that are not the strength of strings
Fiery rain and Ruby's cooling sun
Now I see that my world has only begun
Notes that roll on winds with swirling wings
Brings me words that are not the strength of strings
