

I'm Gonna Rape You

[GG Allin](#)

I knew you in high school, your tits used to make me drewl
I knew if I had a chance, I'd get into your underpants I'm gonna rape you I saw you at the high school dance, you
had on your tight black pussy pants
I offered to walk you home, and when we were all alone That's when I raped you Then I took the chance to walk
you home, oh my mind was blown
That's when I dragged you down, on to the cold, cold ground I wanna rape you, you slimy cunt
