

Amazon Woman

[Nick Roes](#)

She crushes and hugs meâ€™ thatâ€™s the way that she loves meâ€™
My Amazon Womanâ€™s got a hold upon me.
Sheâ€™s tough and sheâ€™s sexy; sheâ€™s big and sheâ€™s chesty.
My Amazon Womanâ€™s got a headlock on me.

Sheâ€™s good in the jungle, but sheâ€™s better in bed.
My Amazon Womanâ€™s going to love me to death.
The bigger they are, then the harder they ball.
I wonâ€™t give up my Amazon for nothing at all.

Come on, Come on, My Amazon,
Give your loving to me, oh I know how good it could be.
The way she smiles, makes me go wild.
Iâ€™m her helpless captive and I hope Iâ€™m never set free.

She crushes and hugs meâ€™ thatâ€™s the way that she loves meâ€™
My Amazon Womanâ€™s got a hold upon me.
Sheâ€™s tough and sheâ€™s sexy; sheâ€™s big and sheâ€™s chesty.
My Amazon Womanâ€™s got a headlock on me.
