The Stroll

The Diamonds

Come, let's stroll
Stroll across the floor
Come, let's stro-oh-oh-oll
Stroll across the floor
Now turn around, baby
Let's stroll once moreFeel so good
Take me by my hand
I feel so goo-ooh-ooh-ood
Take me by my hand
And let's go strolling
In wonderlandStrollin', oh yeah, strollin' ah
Rock and ro-uh-oh-oh-oh-oh-llin'
Strollin'
Well rock my so-oul
How I love to strollThere's my love
Strolling in the door
There's my lo-o-o-ove
Strolling in the door
Baby, let's go strolling
By the candy store
