

Driftwood

Perry Blake

Passion rules the day
Passion rules the night
Passion rules the day
I will never learn I will never learn to see you as his bride
To see you as his girl
To watch you with his child
To watch you with his child Passion rules the day
Passion rules the night
Passion rules the day
I will never learn And sifting through the driftwood
I take what I can get
And sifting through the driftwood
I take whatever's left
