

# The Bro Duet

# Drew Gasparini

(heyyy dude  
yeah bro  
so uh  
i've got something i need to get off my chest  
okay dude)  
hey dude we've been best friends  
for a really long time now  
(yeah dude)  
and there's something i need you to know  
(o-kay)  
remember that time we went surfing  
and i almost drowned  
and you dragged me to the beach  
and performed cpr  
well, no homo  
but that's the day  
i fell in love with you  
no homo  
that's that day i knew you were mine  
looking into your eyes  
made me realise  
that no homo  
but your lips touching mine  
changed my life  
(bro,  
are you saying what i think you're saying?  
uhh, yeah, i think so  
well then)  
yeah dude  
i totally get  
what you're saying  
(ya do?)  
and i've been waiting to tell you for so long  
(you feel the same way too)  
remember that time at disney world  
when i ate that giant turkey leg  
(YES)  
and i started choking  
until you came along

(yeah i caaaaaammeeeeeee)  
no homo  
but that's the day i fell in love with you  
(we're so not gayyy)  
no homo  
that's the day i knew you were right  
your body pressed into mine  
somehow didn't cross the line  
(why would it have)  
no homo  
but that day  
changed my life  
the outside world might see us as gay  
but bro we swear we're not  
we're just two bros chilling out  
and i think you're really hot-some  
(what?  
uhhh  
hot-some)  
snuggling with you under the covers  
no homo  
spooning with you just like we're lovers  
no homo  
our lips touching for a minute or two but  
no homo  
it's okay with me if it's okay with youuu  
IT TOTALLY IS  
no homo  
but let's find an aptment together  
no homo  
let's save money by sharng a bed  
looking into your eyes  
made me realise  
that i love you more than you could ever knowww  
my bro  
NO HOMO
