

# I'm Sleeping In A Submarine

## Arcade Fire

She's gone to sea  
She's fightin' for me  
What bravery  
I'm sleeping in a battle ship  
I'm sleeping in a submarine  
I'm sleeping in a fighter plane  
I'm sleeping going down the drain  
All hands on deck  
The radio address  
What a mess  
A cage, is a cage
