

She Thirsty

Soulja Boy

Aye, it's yo folks Soulja Boy
You know what I'm saying?
This song right here is for all them girls who thirsty
You know what I'm saying?
Be all upon you boy, you know who you is
She thirsty, she thirsty
She thirsty, she thirsty
She thirsty, she thirsty
She thirsty, she thirsty
She like my swag, she like my haircut
She like my smile, she want me wifed up
She like my swag, she like my haircut
She like my smile, she want me wifed up
Soulja Boy tell 'em got the girl gone wild
When I step on stage and yo boy crack a smile
She thirsty, she thirsty, she wanna ride with a G first class
She wanna fly with a G
Well she coulda, she coulda, woulda, yes, she shoulda
When it come to pulling chicks, under chicks pull her
After the show you could meet me at the hotel
Tell everybody that she know, oh, well
She thirsty, she thirsty
She thirsty, she thirsty
She thirsty, she thirsty
She thirsty, she thirsty
She like my swag, she like my haircut
She like my smile, she want me wifed up
She like my swag, she like my haircut
She like my smile, she want me wifed up
Walked up in the spot and you already know
Soulja Boy up in the build and it's time to start the show
Stacks on deck, bathing apes
Yeah, I'm super fresh, yeah, that's a rap
I ride super clean in the limousine
Girls say I'm super cute, I got that handsome cream
Heads turn when I walk through the door
She said she thirsty for yo boy so let me superman that
She thirsty, she thirsty
She thirsty, she thirsty

She thirsty, she thirsty
She thirsty, she thirsty
She like my swag, she like my haircut
She like my smile, she want me wifed up
She like my swag, she like my haircut
She like my smile, she want me wifed up
She like my swag, she like my haircut
She like my smile, she want me wifed up
She like my swag, she like my haircut
She like my smile, she want me wifed up
She thirsty, she thirsty, she thirsty
She thirsty, she thirsty, she thirsty
She thirsty, she thirsty, she thirsty
She thirsty, she thirsty, she thirsty
She thirsty, she thirsty so let me superman that
She thirsty, she thirsty
She thirsty, she thirsty
She thirsty, she thirsty
She thirsty, she thirsty
She like my swag, she like my haircut
She like my smile, she want me wifed up
She like my swag, she like my haircut
She like my smile, she want me wifed up
