The Traveller

Christophe Goze

I am a traveller
And I'm arriving
In a new place
With a new faceSo don't stop, stop, stop, stop, stop, stop
Don't look behind you
You don't stop, stop, stop, stop, stop, stop
They'll never find youI am a traveller
Across the ocean
I wanna get there
I wanna swim in your emotionSo don't stop, stop, stop, stop, stop, stop
Don't look behind you
You don't stop, stop, stop, stop, stop, stop
They'll never find youI am the traveller
Across a million miles of open
I wanna get there
I wanna swim in your emotionI won't stop, stop, stop, stop, stop, stop
Won't look behind you
They won't stop, stop, stop, stop, stop, stop
Until they find youI am a traveller
I am a traveller
I am a traveller
I am a traveller
Traveller, traveller
