

Come on Over

Shania Twain

Get a life, get a grip
Get away somewhere, take a trip
Take a break, take control
Take advice from someone you know, oh Come on over, come on in
Pull up a seat, take a load off your feet
Come on over, come on in
You can unwind, take a load off your mind Make a wish, make a move
Make up your mind, you can choose
When you're up, when you're down
When you need a laugh come around, oh Come on over, come on in
Pull up a seat, take a load off your feet
Come on over, come on in
You can unwind, take a load off your mind Oh ooo oh
Oh ooo oh
Oh ooo oh Be a winner, be a star
Yeah be happy to be who you are
Gotta be yourself, gotta make a plan
Gotta go for it while you can, yeah Come on over, come on in
Pull up a seat, take a load off your feet
Come on over, come on in
You can unwind, take a load off your mind Get a life, get a grip
Get away somewhere, take a trip
Take a break, take control
Take advice from someone you know, oh Come on over, come on in
Pull up a seat, take a load off your feet
Come on over, come on in
You can unwind, take a load off your mind, yeah You come on over, you come on in
You come on, come on in
When I say yeah yeah
Oh ooo oh
No no no
Come on over, come on in
