Like a Child

Noel

Hey girl, you got me walking in the dark
I've got a feeling that my heart is just your game
'Cause you and I, we were so happy at the start
But you've been playing much to hard for me to takeChorus:
How could you lie to me
Your actions don't vouch for what you say
I'm just like a child at play and your love's a toy you tried to take away from me
Like a child at play (4x)It's hard to say the things I feel for you today
But now I know my heart will never be the same
Girl I'm no toy for you to play with everyday
I'll show you just the kind of game I like to play
Chorus (1x)
Stop you can't lie to me anymore (4x)
No, no, no, no more lies (4x)
Like a child at play (8x)
