

Like A Drug

Desert Sessions

Since youre gone, I sat at home
And wonder why, no, Ill never be free
But the thought of you goin' with another guy
No, it could never be me You took a ring and pawned our love away
What can I say? I am left behind
So I take a drink, another cigarette
I cant forget that you once were mine What can I say?
I guess it wasnt meant to be
But now youre gone
Its just, your love is like a drug Its been so long, your folks have bet you gone
I know that youre alive inside
So I hope and pray you wont throw this love away
I just wish that you still were mine What can I say?
I guess it wasnt meant to be
But now youre gone
Its just, your love is like a drug
