Bad Attitude

Laura Branigan

Advisory - the following lyrics contain explicit language:

Drawn like a moth to a flame
I've been consumed by the fire
I've only got myself to blame
I should've known better
Than givin' to desireAnd with an arrow through my heart
I watch your image fall apart
True colors blinding me
I don't like what I seeYou know you got a bad attitude
I wanna love you but you're dumb animal
Raw like diamond in the rough
I think you're pretty but you're too toughYou see the glass half empty
I see the glass half filled
You try to tell me it's alright
You say you're gonna change you're ways
Ooh baby you know you never willYou know you got a bad attitude
I wanna love you but you're dumb animal
Raw like diamond in the rough
I think you're pretty but you're too toughI don't need your bad attitude
It's hard to love you when you're too wild animal
Raw like the diamond in the rough
I've had my fill babe enough is enoughAnd with an arrow through my heart
I watch your image fall apart
True colors blinding me
I'm not impressed with what I seeTempting me with a bad attitude
I wanna love you but you're too dumb animal
Raw like diamond in the rough
I've had my feel baby, enough is enoughI don't need your bad attitude
It's hard to love you when you're too wild animal
Raw like the diamond in the rough
I think you're pretty but you're too toughGet out of here with you bad attitude
I wanna love you but you're too wild animal
Raw you're like a diamond in the rough

You could be pretty but you're too toughI don't need, bad attitude
I wanna love you, I wanna love you
Bad attitude, I wanna love you
Get out of my face nowBad attitude, I wanna love you
Bad attitude, I wanna love you
Bad attitude, I wanna love you
