

Never Is A Moment

[Zucchero](#)

In the vastness of this world
Baby, you are so unique
In the sadness of this life
You bring happiness to me From your head down to your toes
You are beautiful devine (And) there never is a moment that you
Are not on my mind Circumstances cast our fate
Maybe wrong and maybe right
Though you're dreams and miles away
I try to reach you though this night
From your head down to your toes
You are beautiful devine
There never is a moment
That you are not on my mind Take it 'Cause there never is a moment that you
There never is a moment that you
There never is a moment that you
Are not on my mind
