Vile

Sinai Beach

Do you kiss your mom with that mouth?
If she could only see you now
If she could only hear you now
Would she run to wash her cheek
To wash the years of filth from her cheek?Or would there be just too much to clean?The perversion spewing from your mouth has gone too far
Has gone far, has gone farSo shut it up, she's worth much more
And this time you, you're gone too far
