

Vile

Sinai Beach

Do you kiss your mom with that mouth?

 If she could only see you now

 If she could only hear you now

 Would she run to wash her cheek

To wash the years of filth from her cheek? Or would there be just too much to clean? The perversion spewing
 from your mouth has gone too far

Has gone far, has gone far So shut it up, she's worth much more
 And this time you, you're gone too far
