

# Confrontation

## Otep

Don't be silent, fight  
Violence, mles and disturbances of peaceHere's your introduction to destruction and the hate sustaining me  
Are we safer or in danger drowning in atrocities?  
Riot gear the slaves are here piling corpses high  
It's the rich man's war but it's the poor that fightMore capitalist crimes, more enemies than allies  
No WMD's, who gives a fuck if they die?  
Just kill 'em all, watch 'em fall, skin the world with their lies  
It's the rich man's war but it's the poor that fightStand up, speak out, strike back  
Stand up, speak out, strike back  
They don't know what they started  
ConfrontationMy religion of resistance challenging everything  
Radicals and dissidents of creativity  
We are the children of the siege, you hide  
In this rich man's war where the poor just dieMore deception and greed, more wars and disease  
More lies from the high, mind that seek to deceive  
A weak nation of need like silent thieves in the night  
It's a rich man's war but it's the poor that dieStand up, speak out, strike back  
Stand up, speak out, strike back  
They don't know what they started  
ConfrontationStand, fight, speak, fight, strike back  
Stand, fight, speak, fight, strike back  
They don't know what they started  
ConfrontationThis is my battle cry  
Defy the lies of the tyrant race  
With a fist in the air  
And a finger in their faceDefy the tyrants, don't be silent  
Defy the tyrants, don't be silent  
Defy the tyrants, don't be silent  
Defy the tyrants, don't be silentStand up, speak out, strike back  
Stand up, speak out, strike back  
They don't know what they started  
ConfrontationStand, fight, speak, fight, strike back  
Stand, fight, speak, fight, strike back  
They don't know what they started  
ConfrontationWell there's no way they can stop us now  
There's no way they can stop us now  
There's no way they can stop us  
So let them try, we fight or we die
