

# Rediscovery

## Chicago

Oh, what a beautiful night  
The stars are shining bright  
I've not been feeling right  
Not been feeling right  
I've not been feeling right Soon it's gonna change  
Time to rearrange  
Stop this acting strange Found us a beautiful place  
A perfect time and space  
And now we can retrace  
Now we can retrace  
Now we can retrace All we have begun  
New oblivion  
Havin' lots of fun Got to get back inside  
Dreams and thoughts collide  
Save you from this crazy  
Save you from this crazy  
Save you from this crazy life Please be good to me  
My last chance to be free  
This mountain majesty  
This rediscovery
