Nausea, the Earth and Me

Cold Cave

Nausea, the Earth and Me
Tell me why do I try to find a way out
When this hole leads me back to a hole
Nausea, the Earth and Me
Tell me how does strength make a difference
When all I ever strongly feel is indifference
Nausea, the Earth and Me
Watching smoke explore the canals of my body
From cocaine to caffeine and all in between
Nausea, the Earth and Me
Disgusting family sitting in a restaurant
Passing animals and stories around the table
Nausea, the Earth and Me
Child actor in art school explores perversion
Like an unwanted roach dancing in your ear
Nausea, the Earth and Me
Tell me why am I even listening
When you've never said a thing I want to hear
